Footnote 1:

Per the Lease Agreement with Adventist Health, an "Improvements Fund" was purposedly included in Article 7 (Maintenance and Construction) specifically 7.1 (Obligation to Maintain). MCHCD would deposit \$2,000,000 annually in the Fund beginning with the fiscal year ending on June 30, 2021. It was known that Measure C parcel tax receipts would represent about 75% of the funding and MCHCD would remit the shortfall dollar amount to achieve the \$2,000.000 annual threshold. Such funds will be deposited in a designated banking account and approved disbursements will be made from that account. The Tenant shall manage the account and have authority to withdraw money related to expenses for approved projects. The Fund's target amount will be inflated each year by an annual CPI adjustment beginning on the second year lease anniversary date.

Footnote 2:

For FYE 06-2024, the target amount was computed to be \$2,185,454. However, MCHCD paid directly to a roofing contractor \$129,957 for roof repairs. Therefore, the revised target amount should be \$2,185,454 minus \$129,957 which equals \$2,055,497.
