Gentlepeople:

Unfortunately, for mental health reasons, I find it necessary to resign my position on the Board of the Mendocino Coast Health Care District, effective immediately.

I genuinely believe that I am leaving the District better than I found it. There is much more work to do, but at this time, I need to step back, regroup, heal and rediscover joy in living.

I apologize to the people of the District who voted for me and placed their faith in me. I ask for kindness and forgiveness, but this is something I must do to take care of myself.

Sincerely,
